# BARILOCHE

## ARGENTINA

### DAY 1 | ... / BARILOCHE

- / - / -

- Navigation on Lake Nahuel Huapi
- Arrayanes Forest
- Victoria Island

Arrival at Bariloche airport and shuttle to the hotel.

In the afternoon we will navigate one hour from Puerto Pañuelos to Quetrihué Peninsula, where the Arrayanes National Park is.

The Arrayán (Quetrihué in Indigenous language) is a saffron-colored bush with white flowers. In this unique place of the world, the bush grows a lot and turns into a tree, giving as a result this magic and unusual forest, which is a National Park and a Nature Conservation Area.

Once there, we will start our walk along the boardwalks and get deep into the forest where we will find a small wooden hut with a great story: it is said that Walt Disney visited this place and that the beauty and tranquility of it inspired his film Bambi. We will continue navigating towards Victoria Island, where we will find a great amount of flora of great visual appeal. We will walk along its bays and observe rock art from indigenous peoples who once lived in the region. The beaches here have volcanic sand.

Overnight in Bariloche.

### DAY 2 | BARILOCHE

- Circuito chico (Short route).

After breakfast we will do a tour in the surroundings of the city. A professional guide will tell us more about this fascinating landscape,

## BARILOCHE

which was previously inhabited by native Mapuches. On this tour we will see lakes and the breathtaking valleys of Andes Patagónicos. On this half-day tour we will visit important places such as the Civic Center and the Cathedral, both of mountain style architecture, built in rock and cypress wood and inspired in the European Alps. We will continue traveling along route 77 for 60 km, a beautiful journey through woods and hills that will take us into the peninsula that gave name to one of the most famous hotels of the world and symbol of Patagonia Argentina: Llao Llao Hotel.

We will make several stops where we are going to enjoy the best panoramic views of the region, one of them will be the cable car to Cerro Campanario.

Free afternoon to walk around the city.  
Overnight in Bariloche.

### DAY 3 | BARILOCHE

B / L / -

· Circuito de los 7 lagos (Seven lakes route).

After breakfast we will go on a full-day tour to embark on a dream journey: The Siete Lagos route. This 110 km journey will be along the legendary route 40, which connects the two most beautiful cities in the region: Villa La Angostura and San Martín de los Andes. It will all begin in a desert like landscape close to the Limay river.

We will have time to enjoy every single color: blue lakes and falls, green and red woods and the white peaks of the Andes Mountains. Our guide will help us discover this wonderful place that has hundreds of stories and distinctive features, such as the shortest river in the world: Correntoso River. This river runs from Correntoso Lake to Nahuel Huapi Lake. Every year people from all over the world come here to fish trout.

At midday we will have a boxed lunch while we enjoy the view of one of the lakes.

After several stops in the lakes and valleys, we will meet the majestic Lanín Volcano (3750 mt above sea level) which is considered the natural border between Argentina and Chile.

We will return in the late afternoon to Bariloche, feeling the energy that the place brings. Bariloche receives visitors from all over the world the whole year. Visitors who are looking for unique experiences, whether in winter to practice sports in its 5 ski centers or in summer, spring and autumn to enjoy its woods and lakes.

Return to Bariloche  
Overnight in Bariloche.
