# MENDOZA ARGENTINA

## DAY 1 | ... / MENDOZA

- / - / -

- City Tour.
- Winery visit and wine tasting

Shuttle from Mendoza Airport to the hotel.  
In the afternoon we will visit the city and its surroundings accompanied by a local guide, who will show us the main attractions of the city, such as the General San Martín Park, a 310-hectare park, and the Independencia and San Martín Squares.  
In Mendoza we find one of the most important wine valleys in the world and the main wine city of Argentina. We will visit a winery to explore the vineyards and to learn about the wine production, at the end of the tour we will taste the famous MALBEC ARGENTINO.

Return to the hotel.  
Overnight in Mendoza.

## DAY 2 | MENDOZA

B / L / -

- Tour to the Andes Mountains.
- Puente del Inca (Inca Bridge).
- Mount Aconcagua.

After breakfast we will take route 7 from the city of Mendoza towards Chile, to get deep into the heart and highest part of the Andes Mountain, a tour that amazes all its visitors.  
On our way up the Andes, we will spot different valleys and monuments, such as Puente Picheuta, where General San Martín began his Crossing of the Andes.

## MENDOZA

Further on we will find the Puente del Inca, a natural bridge by Las Cuevas river, where thermal waters emerge from its caves with formations of stalactites and stalagmites.

We will then arrive at a view point and visitor center of Aconcagua, the highest peak of the Western Hemispheres (6959 above sea level) and feel as if we were on the roof of America. The Andean Condor watches this area.

At midday we will visit a typical Andean restaurant and taste young goat.

The tour goes back to the city of Mendoza, feeling much better after a day up in the mountains breathing fresh air.

Overnight in Mendoza.
