SALTA ARGENTINA

DAY 1 | ... / SALTA

- / - / D

- City Tour.
- Folkloric dance and music show with dinner.

Arrival at the airport and shuttle to the hotel.

In the afternoon we will do a city tour to discover the history of the city, heart of the region. In the city we can witness a combination of colonial and modern architecture.

On our journey, we will visit places such as San Martín square, located in the center of the city and surrounded by the town hall, the Cathedral and the Museum of High Altitude Archaeology, among others. A highlight here is the pedestrian street, where many stores can be found. Walking along this street we will find San Francisco Church and its convent, and later the way up to the famous San Bernardo Hill by cable car, the right place to see the city of Salta, popularly known as "Salta, the beautiful one".

In the evening we will enjoy a traditional dinner with live music and traditional dance. A must to fully understand the culture of Argentinian folklore.

Overnight in Salta.

SALTA

attractive and lovely regions of the northwest, located in the Province of Jujuy and designated a World Heritage Site by UNESCO in 2003. Accompanied by our guide, we will get deep into the ancient Andean culture. We will visit the main old places and fortresses, nowadays these are beautiful towns.

As we get into the gorge, we will see how the vegetation of the area decreases and changes, and shapes and colors will pop up, signing the different geological eras. The Narrow streets from Humahuaca and handcraft markets of Tilcara close to the famous Pucará, a fortress of the ancient Inca empire, will complete our landscape. We will also find an old native fortress.

One of the main attractions of the tour is the majestic Hill of the Seven Colors in the background of Purmamarca ("city of the desert" in Aymara), this place as well as Serranías del Hornocal will create a deep and colorful memory.

Return to Salta late in the afternoon.
